## MARWOOD MATTERS 2020

A small team have been keeping the Marwood Community informed about what is happening in Marwood Parish through Marwood Matters for 20 years. In 2000 we didn't have access to automated double-sided printing and certainly didn't consider a website at that point. Times have changed and we must all change as well if we wish to efficiently and realistically continue with our aim of trying to keep Marwood connected.

With the limited help and support available, the Marwood Matters website will now be the focus of all the information we receive. The website has much more space than a printed form and can be updated regularly very quickly. There is an interactive calendar on the HOME page and any groups can have their own page for information about themselves. **PLEASE LOOK ON THE WEBSITE, CONTACT US AND CHECK OUT WHAT INFORMATION MIGHT BE IMPORTANT TO YOU.**

We will continue to publish a very abbreviated version of Marwood Matters like this one 10 times a year but this will be the last to be delivered in the way we have been doing previously. In future we will send this copy out as a PDF, to anyone who wants it, for the beginning of each month with the news and articles that have been sent in by then. However we will no longer print advertisements other than a new venture which could include a short article of introduction. All local advertisements can have a space on the website at no cost.

A limited number of our abbreviated, printed Newsletters will be available at the Churches, Hall, the Pub, Notice Boards and School. We hope that anyone who cannot get a copy will either contact us or a neighbour so that we can keep anyone informed if they want to be. THANK YOU, THE MM TEAM.
