

IMPORTANT

Coronavirus - COVID19 information

National lockdown: Stay at Home.

Coronavirus cases are rising across the country.

To get all the up to date information on the restrictions, go to the government web site

www.gov.uk/coronavirus.

You can also go to www.devon-cornwall.police.uk for FAQ on the restrictions.

Stay Alert

To help stop the spread of Coronavirus -

- **WASH HANDS** keep washing your hands regularly.
- **COVER FACE** wear a face covering in enclosed spaces.
- **MAKE SPACE** stay at least 2 metres apart – or 1 metre with a face covering or other precautions.

Do not leave home if you or anyone in your household has symptoms.

Face coverings are now **mandatory** in all shops and some public spaces

Please make sure you have one available when you leave home or you could end up with a fine.

Exemptions include – but aren't limited to – children under 11 and those with certain disabilities.

A face covering is something which safely **covers the nose and mouth**. You can buy reusable or single-use face coverings. You may also use a scarf, bandana, religious garment or hand-made cloth covering but these must securely fit round the side of the face.

Because face coverings are mainly intended to protect others, not the wearer, they are not a replacement for social distancing and regular hand washing.

Please be respectful and remember that face coverings are not a replacement for social distancing and regular hand washing.

Stay Alert, Stay Safe, Save Lives

NICE BIT OF KIT...

Mark your property then register on www.immobilise.com

NICE BIT OF KIT...

Mark your property then register on www.immobilise.com

Devon and Cornwall Police are calling for residents to take simple precautions to keep their new Christmas Gadgets safe from theft.

Police are warning that opportunist thieves may be on the lookout for expensive gifts in homes following the festive period.

We are urging people to secure their homes, security mark all valuables and register them on the national database www.immobilise.com Immobilise can be used instantly to alert police, insurers, and the second-hand trade if any registered item is lost or stolen.

Braunton police said: "Immobilise allows officers to search the serial numbers of recovered goods or suspected stolen property and take the appropriate action."

Nationally, Immobilise is involved in around 250 cases a week where property is either returned or information is collected to assist a police investigation.

"We would also urge people to keep all windows and doors locked and secure. All valuable items, such as laptops and mobile phones, should be kept away from clear view of windows.

"By taking these few simple security measures you can reduce the chances of being burgled. Nearly a third of all burglaries are committed by opportunist thieves." For more advice on property marking and protecting your home please visit

www.devon-cornwall.police.uk

If you would like to know more about Immobilise, or would like assistance with crime prevention in your home, please contact Your neighbourhood team by Phoning 101, emailing 101@dc.police.uk or by using the neighbourhood team email as listed overleaf, you can also contact them online through your local area on www.devon-cornwall.police.uk website.

IMMOBILISE

“Think Safety” This winter

Braunton Police are reminding motorists to **‘think safety’** before setting out on the roads during the winter months.

Beware of icy conditions particularly during early mornings. Consider leaving a little more time for travelling so you can take extra care. Rushing your journey can lead to errors of judgement which can easily lead to a serious crash.

As well as motorists taking responsibility for their driving, police also urge them to check the condition of their vehicle. Basic checks are necessary on things such as tyres, wipers and lights.

Before setting off, drivers are also advised to make sure the windscreen is fully cleared, and headlights are on if required.

The **five** main causes of serious injuries and deaths on the region’s roads, known as the **‘fatal five’**, are excessive or inappropriate speed, driving under the influence of alcohol or drugs, not wearing a seat belt, driver distractions such as using mobile devices & careless and inconsiderate driving.

On top of the **“Fatal five”** at this time of year we also have the weather to worry about.

Drive carefully and according to the road conditions.

“Think Safety” at all times
