THE ADVICE REMAINS FOR US TO BE SENSIBLE AND KEEP SAFE!

THANK YOU TO ALL WHO CONTINUE TO KEEP US SAFE. Coronavirus is still very much with us as a priority. Many people in our community are vulnerable and those returning from hospital are particularly so. The advice is that they must shield. Our awareness needs to continue.

IF HOWEVER YOU DO NEED ANY HELP the contact details of the Parish Council are on the Parish Noticeboards and our website.

We are halfway through this present lockdown and we all hope that everyone is keeping safe and well. Keeping up a routine, having some sort of plan, taking breaks, staying connected and giving ourselves a treat, seems even more important this time around with the dark, wet days. However, HOPEFULLY, it won't be too long before things are looking much brighter!

There is a **planned closure of the road through PRIXFORD & GUINEAFORD** for about two weeks from 30th November. Please be aware of the voluntary one way system around the school at the beginning and end of their day. Take care as the lanes will be much busier.

There **have been some concerns as to the way our local Covid 'statistics' have been reported**, particularly by Devon Live under the misleading heading of 'Bratton Fleming, Goodleigh and Kings Heanton'! Several of us put our heads together and realised that all of Marwood, Bittadon and as far north as Challacombe is included under that name, and the whole country has been divided into areas of similar population so that comparisons can be made. (Each area has about 7,000 people.) Please read more on the [News and Information page](#) of the website. The name 'Bratton Fleming, Goodleigh and Kings Heanton' seems misleading and illogical but if you look at the rural area names across Devon, so are many others! I could improve on the name but am struggling to make it inclusive - what would you call our area?

Muddiford URC's first online Plant Sale in May was very successful - As you can see below Marwood Church are trying their best to keep up their traditions too!
