Marwood Matters

September 2022

Following the death of our Queen, many of us will have already taken part in a silent reflection before a group activity, to show our respect.

The Reverend Steve Painting has sent a message to us all for the coming days

'All of the churches will be open in the North Taw Mission Community, including Marwood Church, for private prayer and reflection during daylight hours for the period of national mourning. A book of condolences will be set up in each church until the time of the funeral for people to make their tributes to the Queen.'

Sunday services will continue as normal, but prayers for the Queen and the Royal family will be added to the services this Sunday (11th September).

A service of prayer and reflection will be held at Marwood at 11.00 am on Tuesday 13th September. Please make this known around the villages. A larger commemorative service for the Queen will be held on behalf of the Mission Community at Heanton at 7.00 pm on Thursday 15th September.

God bless, Steve
