## Portmore to Landkey Night Closure

On the nights of the **13<sup>th</sup> and 14<sup>th</sup> March** our team will be working during the night between Portmore Roundabout and Landkey Junction Roundabout to carry out essential repairs to the existing carriageway surface.

To enable these essential repairs the A361 will be closed between 8:00pm and 6:00am on each night. Please diversion map here. We apologise in advance for any inconvenience.

## Traffic Management - Landkey to Aller Cross

### LONG DELAYS DURING MARCH 2023 - TRAFFIC LIGHTS 24 hrs a day

From 13<sup>th</sup> March 2023 for at least two weeks, traffic management in the form of traffic signal control will be required on the A361 between Landkey roundabout and Aller Cross roundabout. The traffic lights will be operational 24 hours a day on week days (Monday to Friday).

Delays are expected but will be monitored at all times by the traffic management team. This traffic management is required to apply waterproofing to bridges under the asphalt road. The traffic management will likely extend throughout March and may be reduced if works complete early.
