Another update from Marwood Matters!  
I think we are all looking forward to warmer and sunnier weather, despite the fact we know the reservoirs are not full!

I have included some headlines below but please look on the Marwood Matters News and Information Page for more information which is updated regularly.

**The Defibrillator by The Muddiford Inn is not in place at the moment but I will update you when it is. Is there anyone willing to take on a monthly check and make a very quick email report back to the Ambulance Service? (Please respond to this email if you can.)**
